Please issue a Temporary Power Approval permit for address listed above for:

_____ **30 days** (Residential) _____ **90 days** (Commercial)

I/We, the undersigned, hereby assume all liability and responsibility for any use of electricity in the building during this temporary period. It is understood that the power company will be directed to discontinue service at the end of the Approval period. If work has not been completed at the time of permit expiration, an application must be submitted for extension of this Temporary Power Approval.

It is further understood that occupancy cannot be allowed during use of Temporary Power and that any occupancy will result in disconnection of electrical service. We relieve the City of Atlanta and its Inspectors of any liability for damage or losses if electric service is disconnected from the wiring system.
